

TEGRAL TRANSPORT EQUIPMENT

SILVER ROPE

SPECIFICATION FOR 6mm to 16mm

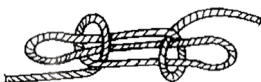

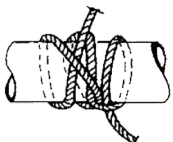

Silver Rope

Transport silver rope gives the benefits of superior strength, wear and abrasion resistance, is water proof and has excellent knotting properties.

Generally used for the transport and logistics industries.

- Rope diameters available from 6mm to 16mm in 125 metre and 250 metre coils.
- Manufactured in strand hawser laid from polyethylene textile.
- Information card with lashing capacities and knot tie guide also provided with each coil.
- All silver ropes are white in colour with a strand fleck to identify lashing capacity.

- *Polyethylene Textile
- *Strand Flek Identifier

SIZE (mm)	CODE	Weight (kg)	Lashing Capacity (kg)	FLECK COLOUR	LENGTH (m)
6	U0011	3	160	Black, Black	250
